Mark and Shannon Krenz

Mark and Shannon Krenz moved to Johnson Ranch (Fairways III) from Indianapolis, Indiana in February of this year. Shannon likes the idea of eternal summer here. Mark will find ways for them to still "feel" fall and winter by going to the mountains to camp, hike, or snowboard. Mark and Shannon have been married for seven years and have two cute little girls, Miana (17 months old) and Keira (2 months old). They enjoy living in the Johnson Ranch area and going on walks, mountain biking, and taking their girls to the community pool. Mark also plays soccer and started the Johnson Ranch Soccer Club which has open play on Sunday evenings. He says that it's been a great way to meet neighbors and make new friends.

Mark is also having fun coaching a YMCA kid's soccer team. Mark and his wife are also starting the new ONE church here in the San Tan Area. To further engage our community, Mark is involved with

the San Tan Chamber of Commerce and is a community representative on the new Anthem K-8 School Site Council.

Finally, Mark said, "Like so many people who just moved here, we long for strong friendships and living in community with others. Our future is here, so we want to be a part of giving ourselves to others and to this community and to being friends to those looking for a connection."
